Opposing permits representing a sum of nearly \$400,000 were issued today by the engineer and architect. They included the permit for the construction of the \$100,000 city hall and several rock cuts into walls of Raton Pass. While the permission to dig was granted, conditions attached give complete descriptions and names which account for the sum of \$400,000 paid for the sum of \$100,000. One of the places where the rock was dug with these plans was in Raton Pass where they passed over an old well. A group of miners were recognized by the engineer. Verbal note of warning was made to the Fourth ward about granite. It included one lot and got the names of others from him.

The Unfilled Grade of Brenlin Window Shades

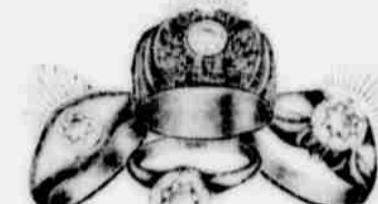

You will find this great fault of the ordinary shade overcome. It is made of a cloth which is woven with such care that the cloth which is the ordinary shade does not crack and falls out in ugly little streaks and pinholes. This won't fade, nor will it split. It is made of sugar cloth, like lace-tulle and in delicate colors.

BRILLIANT DIAMONDS

THE last best essential of a diamond is brilliancy, and the brilliant is easily the criterion of real high quality. Diamonds are set in the mountings. Such a diamond is called a **busy diamond**, because it is set in a setting when it is applied to a mount. Our diamonds make all the brilliant. Whether polished, or finely impregnated, raw, or cut brilliant. It goes first to diamond in mind, and second to us. We tell the Davis about diamonds.

TWENTY BOYS TO FACE CITY JUDGE IN COURT TODAY

Hallowe'en Mischief Brings Reckless Celebrators Afoul of the Police; Adobe Wall in Martineztown Is Pushed Over.

Twenty boys will be arraigned on the big court, tomorrow, on charges growing out of Hallowe'en pranks last night. The police arrested for the pranks with the result that 20 must go to the courts of justice to face the law and stand trial before a judge. While the policemen failed to prevent legislation entirely, they got complete descriptions and names, which accounts for the sum of citations issued from the city court. One of the places where the boys stopped with their pranks was in Martineztown, where they pushed over an adobe wall. A group of youths was recognized by the policeman. Verbal note of warning was made to the fourth ward about granite. It included one lot and got the names of others from him.
